SPARC provides excellent resources, plans and guides for “running a club”. This is called club kit and can be accessed at <http://www.sparc.co.nz/sport/running-your-club> - we strongly recommend all club administrators add this link to your favourites and use this as an essential reference for the future.

The Coaches handbooks will be available from 12th October and distributed at the junior coaches meetings. Further supplies will be distributed direct to clubs for senior teams.

Ian Saunders is looking for further School Coaches to help out in Term 4 with our schools coaching programme. These are paid positions and anyone interested should contact Ian as soon as possible.
